OUR VALUES
Our Mission is our base, it is what defines us. Our Values are how we put that Mission into practice.

CARING
To demonstrate a sincere concern for others, for their needs and well-being. Related values: compassion, forgiveness, generosity, and kindness.

HONESTY
To tell the truth, to demonstrate reliability and trustworthiness through actions that are in keeping with my stated positions and beliefs. Related values: integrity and fairness.

RESPECT
To treat others as I would want them to treat me, to value the worth of every person, including myself. Related values: acceptance, empathy, self-respect and tolerance.

RESPONSIBILITY
To do what is right—what I ought to do, to be accountable for my choices of behavior and actions and my promises. Related values: commitment, courage, good health, service and citizenship.

OUR CULTURE
Our culture portrays our values, defines our Y and shows others how we make the Mission come alive. When you visit the Y, we want you to feel something different. We call that our culture which we live out in the following ways:

DO THE GREAT THING
Not just the right thing
Doing the right thing isn’t enough... do the GREAT thing. At the Y, you’re empowered to do more, to surprise our members and exceed their expectations at every step. Simply following procedure can come up empty at times so we meet a member where they are, not where we are. What’s the “GREAT thing”? Whatever you’re thinking, think bigger.

CREATE-O-VATE
Creativity? Innovation? Yup, we just made up a word
The status quo is not a status we’re comfortable with. By encouraging curiosity and learning, we’re constantly experimenting with new ways of WOWing our members and making a difference in people’s lives. We not only accept change, we seek it out and embrace it because we know that by creating and innovating, we change lives.

UNIQUELY REAL AND PLAYFUL
Seriously, it’s OK... be yourself
What we do is fun! Let’s not be afraid to show it. In a laid back and cool environment, you can be genuine, spontaneous, diverse, bold and unique. Feel like singing in the lobby? Let them hear you! Want to dye your hair pink in support of breast cancer research? Make it bright. Be unique. Be real. Be playful.

RECOGNIZE OUR MVP’s
Find the amazing and celebrate it
We have employees and volunteers changing lives. We have members accomplishing amazing goals. And we have people in our community achieving the incredible. It’s time to celebrate. At the Y, we go out of our way to honor the achievements of our family and shout it from the roof top.

INSPIRE SMILES
"Be Excellent To Each Other” – Bill S. Preston, Esquire and Ted Theodore Logan
We’re passionate about what we do and when we express that passion, it spreads. We treat others with respect and empathy and create an environment of optimism. When we’re at our best, smiles will surround us.

REACHING BEYOND OUR WALLS
Furthering our cause of strengthening the community
We seek to make meaningful change in our community by taking initiative to reach out to partners and simply ask, “What can we do to help?” At the Y, we believe that it is our duty to help where help is needed.

If you are ever curious about the status of the YMCA buildings or classes, it is best to check the YMCA’s website, social media sites and/or the YMCA mobile app.

Facility Closings And Delayed Openings
It is very rare that we alter our regular hours at the Y, but in the event of a power outage or if weather conditions are such that it is unsafe to have people on the roads, the YMCA of Greater Nashua Management Team will make a determination on whether to open on time or at all as soon as possible and announce on various web tools.

Program Cancellations and Delays
(Group Exercise Classes, Kid Stop, Swim Lessons, Youth Programs)
If the Nashua and Merrimack schools have a delayed opening due to weather:
Kid Stop will have a delayed start equal to the schools’ delay. (i.e. if schools have a 2 hour delay, Kid Stop will open at 10:30)
All classes scheduled to start during that delay period will be cancelled (in the same example given, any classes scheduled to start before 10:30 will be cancelled)

If the Nashua and Merrimack schools are closed due to weather:
All morning classes scheduled to start before 2:59 are cancelled and Kid Stop will be closed for the morning. A decision will be made around 2:00pm about whether classes starting after 3pm and Kid Stop will run. The Early Education Center in Merrimack and Schools Out in both branches will run on days that schools are closed due to weather.

If the extreme weather occurs on a weekend, non-school day, or begins later in the day:
YMCA management will make a decision on class and Kid Stop schedules as soon as possible.

The YMCA Will Communicate Any Closings, Cancellations, Or Delays In The Following Ways:
Website: We will post a banner on our website announcing any updates
Facebook: “Like” our Facebook page to receive updates
Mobile App: Get the YMCA of Greater Nashua’s mobile app on your iPhone or Android phone and make sure you enable push notifications.
Email: We will attempt to send an email to you in the event of closings

PLEASE NOTE: In the event of extended school closings after a storm (multiple consecutive days), the Y may decide to run regularly scheduled programs. We will update members when this occurs.
