## **OUR MISSION**

To instill values and provide opportunities for lifelong personal growth and the development of a healthy spirit, mind, and body for all.

## **OUR CAUSE**

We know that lasting personal social change comes about when we all work together. That's why at the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

## **OUR FOCUS**

- Youth Development – Nurturing the potential of every child and teen.
- Healthy Living – Improving the nation's health and well-being.
- Social Responsibility – Giving back and providing support to our neighbors

## **OUR IMPACT**

At the Y, we change lives. We provide a greater sense of achievement, belonging, meaning and inspiration in the more than 30,000 individuals we serve. Our impact is felt when a child learns a new skill, when a teen is inspired to greater heights, when a family spends more quality time together, when a cancer survivor feels stronger, and when a senior feels connected. More than that, the impact on those 30,000 individuals ripples throughout the community, making our community stronger.

The YMCA of Greater Nashua strives for accuracy in our donor list. If you are aware of an error or omission, please let us know by calling the Development Office at 603.598.1533. Thank you.
